### 2 Eligibility to participate

#### 2.1 Exhibitors

Only manufacturers that are entered in the Commercial Register or in the Handicrafts Register are permitted to participate at imm cologne. Such producers must exhibit products that correspond to the focus of the event (see the list of products). You may only participate as an exhibitor if the exhibited products are manufactured or developed by your company itself or developed or produced on its behalf and exclusively marketed or, in the case of services, exclusively provided by your company. You can exhibit for the companies you represent as a trade representative, sales company, association and importer insofar as the goods exhibited are not offered by any other company at the trade fair and you possess the

necessary rights to present the exhibits.

Koelnmesse also requires that proof of the nature of the manufacturer's business or of the activities as the manufacturer's sales company or importer be submitted in appropriate form on demand.

Decisions on company admissions, eligible products and the location of exhibitor stands will be made by Koelnmesse. In the event of a rejection, you will receive a separate letter.

All exhibited products and services must correspond to the focus of the event. See the accompanying list of products, form 1.30. The products must be new ex-works. Products and services that do not correspond to the list of products and used products may not be exhibited or offered.

#### 2.2 Co-exhibitors

The participation of co-exhibitors and/or additionally represented companies at imm cologne is possible. A special application and an acceptance by the organiser are required for the use of the stand area by a co-exhibitor (see Item V of the General Section of the Conditions of Participation).

### 3 Participation fee and other costs

#### 3.1 Participation fee

on application until <b>30 April 2021*</b>	EUR 205.00 per m <sup>2</sup>
on application from <b>01 May 2021*</b>	EUR 225.00 per m <sup>2</sup>

date of receipt by Koelnmesse

**The participation fee does not include the provision of stand partition walls or other special construction elements.**

The participation fee will be calculated according to the dimensions of the stand area allocated. Hall pillars and other fixed construction elements present in the rented stand area do not provide grounds for a reduction in the participation fee.

#### 3.2 AUMA fee

The Association of the German Trade Fair Industry (Ausstellungs- und Messeausschuss der Deutschen Wirtschaft e.V. – AUMA) charges you a fee of Euro 0.60 per m<sup>2</sup> of exhibition space for representing your interests. Koelnmesse will calculate and collect the fees in the name of, and on the account of, AUMA. More detailed information is available at [www.auma-messen.de](http://www.auma-messen.de).

#### 3.3 Energy costs

Exhibitors will be charged a proportional flat-rate energy fee of Euro 12.00 per m<sup>2</sup> of occupied stand area.

#### 3.4 Down payment for services

Koelnmesse shall be entitled to charge a reasonable down payment for the services used for the event in question – e.g. electrical and water connections, stand cleaning, etc. The down payment for services shall be assessed on the basis of the services charged for the previous event. The down payment for exhibitors who have not participated in the previous event shall total Euro 22.00 per m<sup>2</sup> – plus the costs for the obligatory marketing services (Marketing Package); see Item 7.2, Special Participation Conditions.

Once the event has ended, a separate final invoice for services will be issued; the down payment will be applied towards this amount. The invoice shall fall due for payment immediately following receipt. If the amount of the down payment should exceed the fees actually incurred for services, the amount by which the down payment exceeds actual charges shall be refunded to the exhibitor. The exhibitor shall have no claim to payment of interest on the down payment.

### 3.5 Co-exhibitor fee

Insofar as the inclusion of other companies is permitted at your stand (see Item V of the General Conditions of Participation/Item 2.2 of these conditions), a co-exhibitor fee of Euro 850.00 per company will be charged. The price of inclusion in the Marketing Package is not included in this fee (see Item 7.2). The co-exhibitor fee remains payable should the co-exhibitor not participate in the event.

### 3.6 Marketing services

Use of the marketing services described in Item 7.1 shall be obligatory and is subject to a charge (see Item 7.2, Special Participation Conditions).

### 3.7 VAT

All prices given are net prices. The statutory VAT will be charged separately where applicable.

#### 3.7.1 VAT identification number

As a rule, Koelnmesse provides exhibitors (proprietors) with a uniform service – a so-called event service – in accordance with Art. 3a.4., Par. (2) of the German ordinance on the application of the VAT (UStAE). The place of performance for such services is the recipient's headquarters. Koelnmesse will therefore invoice foreign exhibitors (proprietors) according to the reverse charge accounting mechanism without charging any German VAT. Exhibitors from the European Union need to enter their valid VAT identification number in the application form in order to be considered entrepreneurs. Exhibitors must immediately notify Koelnmesse of any changes to their VAT identification numbers.

#### 3.7.2 Reimbursement of VAT

If, in exceptional cases, services are not provided as uniform services offerings in the sense described above and statutory VAT is charged, foreign exhibitors (proprietors) may receive a refund of the invoiced VAT provided they fulfil the legal requirements. Further details are available on the Internet at [www.bzst.bund.de](http://www.bzst.bund.de).

### 3.8 Costs in the event of non-participation

#### 3.8.1 After receipt of acceptance/stand space confirmation

You cannot normally withdraw from the contract after you have received the admission / stand space confirmation. The regulations contained in Item II of the General Section of the Conditions of Participation apply. In the event of non-participation, companies that have registered for a trade fair must pay compensation. Provided the reserved stand area can be rented to a third party, this compensation amounts to 25 % of the participation fee subject.

##### 3.8.1.1 Stand construction by Koelnmesse – Complete stands

If you have ordered a complete stand — comprising the stand area and the stand construction — from Koelnmesse, you may cancel the stand construction order only if you do so no later than six weeks before the stand construction period officially begins. The date on which Koelnmesse receives the exhibitor's declaration is the criterion for determining if the deadline has been met. For cancellations received after the deadline, Koelnmesse is entitled to charge a flat-rate fee for the costs incurred. These costs amount to 30 % of the agreed fee in the event of a cancellation within 4–6 weeks prior to the start of construction, 50 % of the agreed fee in the event of a cancellation within 2–4 weeks prior to the start of construction, and 100 % of the agreed fee in the event of a cancellation at a later time or during the construction of the stand. The agreed fee has to be paid in full for individually crafted or purchased components and graphics.

##### 3.8.1.2 Stand construction by Koelnmesse – Individual stands and turnkey system stands

In a case where the stand construction has been ordered independently of the application of a stand area, the provisions of Koelnmesse Group's General Terms and Conditions for services and Koelnmesse Group's Special Terms and Conditions for stand construction services apply. You can download Koelnmesse Group's General Terms and Conditions for services from the event's website or from <https://service.imm-cologne.com/serviceshop/login>.

**3.8.2** You shall be entitled to prove that no damages were incurred or that the costs were significantly less extensive than the amount charged.

## 4 Stand sizes and construction

### 4.1 Stand size

The minimum stand size is 12 m<sup>2</sup>.

Please note that hall pillars and other fixed construction elements may be present in the rented stand area. Minor deviations from the requested stand size do not entitle an objection to be made under Item II of the General Section of the Conditions of Participation.

Trade fair partition walls for separating the stand area are not automatically provided. If needed as stand construction elements, however, they can be ordered for a fee at the service shop <https://service.imm-cologne.com/serviceshop/login>.

This fee does not include stand construction.

Koelnmesse will erect partition walls only if this is necessary for safety reasons due to the installation of water pipes or electrical systems.

### 4.2 Responsibility

The construction, design and operation of the stand must adhere to all regulations that are valid in Germany (including the regulations of the Sonderbauverordnung, the Arbeitsschutzgesetz (industrial safety law), the industrial safety regulations, the DIN and EN standards, the VDE regulations, and the accident prevention regulations of the professional associations in the currently valid versions). All these provisions apply to both the company's own as well as to independent stand designers, decorators, and signwriters and to all persons, in as far as they perform activities as commissioned by the exhibitor or on the exhibitor's behalf in connection with the construction, dismantling, design and operation of the stand.

The exhibitor is responsible for ensuring that all regulations are complied with. The exhibitor must supervise construction personnel and other persons working on their behalf to ensure that they adhere to the regulations. The stipulations of the General Section of the Conditions of Participation and the Technical Guidelines are not affected.

### 4.3 Maximum stand height

The maximum permissible stand height is set at 4.50 m, insofar as this is permitted by the hall ceiling and any fixed structures that may be present. This is also the maximum allowable height for all company and product signs and all types of advertising.

The stand must be constructed in a way that makes it as transparent as possible from all sides bordering on aisles. A stand front that is 70 % open is desired. Long, enclosed stand designs are not permitted along the aisles. The stand sides along the aisles should be made more open by installing elements such as glass cases, niches or displays, for example.

As long as the technical guidelines are observed when designing and erecting stands, there is no need to submit for approval drawings for one-storey stands that do not exceed the permitted height. All other stands and designs must be approved, particularly if the stand features special structures or meeting areas, or static calculations are required. Plans must be submitted in duplicate for approval by Koelnmesse in good time before the work is carried out, and at least 6 weeks before the event commences.

These documents, which can be scrutinized, consist of ground plans, views and design cross sections with all measurements.

### 4.4 Notice of approval

Stand construction may not commence until the exhibitor has received a copy bearing Koelnmesse's notice of approval. This notice of approval does not release the exhibitor from the observance of the relevant provisions. It only states that Koelnmesse has no objections in the context of stand design/ arrangement. If requested to do so by Koelnmesse, the exhibitor is obliged to submit any additionally required information relating to the stand immediately.

There is no obligation on the part of Koelnmesse to ensure the observance of other provisions.

Nevertheless, if an infringement of the relevant provisions is found to have been committed, Koelnmesse can, for this reason, also refuse to issue the notice of approval. You have been informed of the fact that in exceptional cases — at your request and on your account — the stand construction documents must be submitted to the responsible authorities for scrutiny. Irrespective of official approvals of the stand, any objections made by Koelnmesse concerning the stand must be responded to immediately. In case of imminent danger, Koelnmesse is entitled to determine at its absolute discretion the measures necessary and have them implemented at the

exhibitor's expense.

#### 4.5 Form of stand

The following terms are used for the stand forms:

Terrace stand:	one side open
Corner stand:	two sides open
Two-corner stand:	three sides open
Island stand:	four sides open

Deviations from the requested stand shape do not entitle an objection to be made under Item II of the General Section of the Conditions of Participation.

#### 4.6 Construction and design of the stands

The stand must be constructed to comply with the form of the stand confirmed.

The arrangement of the stand is left to the exhibitor but should be appropriate for the event in question.

The exhibitor has to obtain information on the load capacity of the hall floor and the hall headroom. Only the on-site measurements apply to stand space.

Banners and company signs are not permitted to encroach into the aisles.

Koelnmesse also offers a completely outfitted turnkey stand system. Orders can be placed at the service shop <https://service.imm-cologne.com/serviceshop/login>.

#### 4.7 Clearing the stand before the specified time is forbidden

The registered and authorised products must be on display at the stand, and stand personnel must be in attendance, for the entire duration of the event (General Section of the Conditions of Participation, Item III, Paragraph 2).

Dismantling of the exhibition stand and the product presentation may not begin before the end of the event at 5:00 p.m. on Sunday, 23 January 2022.

This means that the stand may not be partially or completely cleared, and products may not be packed away, before this time.

**Clearing the trade fair stand before the official end of the event represents a serious breach of the Conditions of Participation. In the event of any violation of this condition, Koelnmesse is entitled to impose a fine of up to Euro 2500.00 (depending on the severity of the violation) for each such violation and/or to exclude the exhibitor from subsequent events.**

### 5.3 Transfer of passes forbidden

Transferring a pass to a third party — whether sold or given free of charge — is not permitted and represents a severe violation of the Conditions of Participation, as stipulated by Item VI of the General Section of the Conditions of Participation.

## 6 Rules on selling

**6.1** In view of the specialist nature of the event, direct sales of exhibits or samples from the booths are not permitted. Furthermore, exhibits may not carry a price tag.

This regulation does not apply to printed matter such as trade publications and specialist journals.

and/or

(2) to **immediately close the stand** of any exhibitor who violates or has violated the limitations on sales and visible price markings in Item 6.1. The stand can be closed while imm cologne is still in progress and without a court order. The exhibitor in question is responsible for any costs or consequences resulting from the stand closure;

### 7.3 Special data protection provisions for lead tracking

Koelnmesse GmbH forwards the personal data from registered visitors to third parties only if the visitors first agree to have their data used in this way.

Neither the exhibitor, nor Koelnmesse GmbH nor any other third party can require visitors to take part in lead tracking in the event app and so to pass on their personal data. The exhibitor is obliged to delete the personal data that it has received as a result of lead tracking in individual cases if it is requested to do so by Koelnmesse GmbH or the visitor in question. Koelnmesse GmbH is not liable for the accuracy and completeness of the visitor registration data.

The exhibitor may only forward the personal data received as a result of lead tracking to third parties if and to the extent that the exhibitor has received express consent from the respective visitor. The exhibitor undertakes to use the personal data received as a result of lead tracking only in accordance with the legal regulations, especially those relating to data protection, and only for the exhibitor's own purposes. In this respect, the exhibitor shall exempt Koelnmesse GmbH from all claims by third parties.

### 7.4 Responsibility/release of Koelnmesse from liability

## 8 Commercial property rights

**8.1** Koelnmesse does not want any exhibitors who in the process of producing, disseminating, selling, owning or advertising their products violate laws regarding the protection of intellectual property or commercial property rights in the broadest sense.

If a final court decision has determined *res judicata* that an exhibitor in connection with one of Koelnmesse's events has violated laws of the kind mentioned in paragraph 1, Koelnmesse is entitled to bar that exhibitor from the next event of this kind after the *res judicata* court decision if there is sufficient suspicion that the exhibitor will again and repeatedly violate laws for the protection of intellectual property or commercial property rights.

**8.2** You will find more detailed information in the No Copy! brochure.

## 9 Non-permissible advertising/violations of the Conditions of Participation

All explanations must be specified in writing.

## 11 Severability clause

Should individual or several provisions of these conditions be or become invalid in whole or in part, the validity of the remaining provisions and of the contract shall not be affected. The parties will conduct negotiations in good faith to replace the invalid provisions with valid provisions that come as close as possible to fulfilling the business purpose of the invalid provisions. Should the invalidity of a provision have arisen from a specific figure given therein with regard to performance or time (deadline or date), the nearest legally permissible figure shall replace the invalid one in the provision.
